# *Come and feel the history of Tsushima*

*Tsushima-jinja Shrine was built in A.D.540 and it attracts about 1 million visitors every year.*

*Owari Tsushima Tennoh Festival, which was registered on UNESCO's Intangible Cultural Heritage list, is one of the three main river festivals in Japan.*

*Tennogaŕwa Park where you can enjoy the beauty of four seasons was designated as one of Japan's top 100 historical parks.*

*Many machiya townhouses have been kept in Honmachisuji Street in which you can feel the history.*

*Many historical shrines and temples have been passed down through generations.*

*Tsushima is a town rich in history*

*We are inviting you to stay in a machiya townhouse and have the temple experience.*

*Would you like to feel the history of Tsushima?*

*Please come and stay with us.*

## Key Point

Because the practice is conducted on the wooden floor, white socks are suggested. Also, it will be appreciated if your skin is not revealed too much. Loose-fit pants are suggested during the Zen meditation.

# The Options

## ① Sutra copying

Through copying sutras by hand, you will feel calm and relaxed. You can choose to keep the writtensutra in the temple or bring it home.

## ⑦ Praying a million times

The practice is originally from Chionji Temple in Kyoto. People get together in a circle and chant Nenbutsu repeatedly.

## ② Sutra

You chant sutras aloud. The priest of the temple will teach you how to chant from the beginning.

## ⑧ Buddhist image copying

You copy the image of Buddhist. Through the practice, you will have a pure heart. You can offer the copy to the temple or you can bring it home.

## ③ Nenbutsu chanting

You chant the name of Amitabha, beating the wooden fish.

## ⑨ Flower arrangement

You will use the flowers in the garden to make flower arrangement. And you can choose to bring it home.

## ④ Zazen (Zen meditation)

Zazen is a basic practice of Zen Buddhism. The priest will teach you how to adjust your body, breath, and emotion.

## ⑩ Shodaigyo

It is an original practice of school of Nichiren. You can get a lot of blessing through chanting Namu-myoho-rengekyo continuously.

## ⑤ Udewanenju

Choose your favorite beads and make your own rosary bracelet.

## ⑪ Matcha

You will learn the proper way to make green tea. Also, you will enjoy green tea with Japanese sweets.

## ⑥ Meditation

It is an original meditation of Shingon Buddhism. It helps you to recover your breath and relax.

## ⑫ Koto

There will be a Koto demonstration. And you can try playing the Koto after the demonstration.
